

Yoba probiotic yoghurt

RISK MANAGEMENT

Incidence response plan

- Which incidences can affect you?
 - ▣ How likely is it that it happens?
1 = not likely, 4 = very likely
 - ▣ How bad are the consequences?
1 = not so serious, 4 = very serious
- How dangerous are they?
 - ▣ likelihood x consequences
- How can you prevent / minimize them?

Example

Risks	Likelihood	Consequences	Rank: likelihood x consequence	Incident Response
Milk supply stops	1	3		Identify alternative milk suppliers
High milk price	3	2		Yoghurt price up

Example

Risks	Likelihood	Consequences	Rank: likelihood x consequence	Incident Response
Milk supply stops	1	3	3	Identify alternative milk suppliers
High milk price	3	2	6	Yoghurt price up

Recovery plan

- Who do I inform?
- How much money do I keep aside?
- Alternative employees?
- Alternative milk suppliers?
